

**New Hampshire Department of Health and Human Services  
Web Based Health and Safety Training Program  
RFP-2017-DCYF-09-WEBBA**

---

**ADDENDUM #2  
RFP-2017-DCYF-09-WEBBA**

On January 12, 2017, the Department of Health and Human Services, Office of Human Services, Division of Children, Youth and Families, Child Development Bureau published a Request for Proposals seeking Vendors to provide a minimum six (6) hour self-paced, web-based Health and Safety training program.

**Delete Section 3.2.11 through 3.2.11.2 and replace with:**

- 3.2.11. The Vendor shall collect, store, and transfer data in near real time notification, through the application program interface (API), to the New Hampshire Professional Registry portal. The Vendor shall:
  - 3.2.11.1. Be responsible for coordinating and establishing the connectivity of the transfer of data from the Vendor to the NH Professional Registry showing on the training participants record the certification of completion of:
    - a. Training 3.2.3.1; or
    - b. A stand-alone training from 3.2.3.2.
  - 3.2.11.2. Ensure the API format is JSON or XML and the import format is SQL.
  - 3.2.11.3. Include in the cost proposal the price for this connectivity in Section 3.2.11.1 for both a. and b.
